KISSING BOOTH OPTIONS

The Executives of the El Paso County Fair have been evaluating the popularity and successes of Kissing Booths at other fairs around the nation. Possibilities of themes of such booths have been along the lines of: "Kiss a County Commissioner", "Kiss the Governor", and even a "Kiss the President" booth (Presidential lookalike doing volunteer work). By far the most popular and least controversial of any booth has been the "Kiss the Bearded Lady" kissing booth (bearded lady doing community service work during weeks of county fair from previous attempts to leave the circus). Anticipated revenue from such booth would be in the excess of \$1.00 every 10 (ten) years. The money would go towards Fair improvements with special consideration towards the midway rides.

Considering this, without raising admission, parking or vendor fees, should the El Paso County fair have a kissing booth that features the Bearded Lady?

- YES
 NO
