FAX MAIL

RE: Permission to WITHDRAW from El Paso County Commissioner's Race,  
District 1.

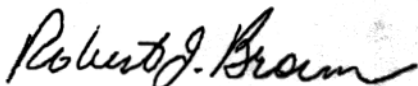

Dear Ms. Russo,

After careful deliberation and encouragement that I have received since my announcement for a political office, I have decided to withdraw my decision to run in the El Paso County Commissioner District 1 Race.

I have elected to seek a County wide race instead.

I would like to personally thank you and all your staff for your patience and all of your help with me in my many questions.

Most Sincerely,

Robert J. Brown
